

NOTE: This spreadsheet merges the Arbortext License Key database with the Arbortext Items in BLACK are from the Royalty Report.
Items in RED are from the License Key database.
The two Error columns list the number of discrepancies between the two databases between these two databases. Do you agree? Below is what we found. Bear in database AFTER IT WAS FIXED!

356 Licenses with no recorded royalty
405 royalties with no recorded license
761 discrepancies between License Key Database and Royalty Rep
